

Sunday October 14, 2018 the Making Strides Against Breast Cancer walk will take place at Frontier Field, registration starts at 8:30 and the walk begins at 10:00AM.

Team Joyful “Young” Walkers will again be representing Peace of Christ Parish in the annual walk to raise money and awareness for this disease that has affected many in our parish. This year over 250,000 women are expected to be diagnosed with breast cancer and over 41,000 will die from this form of cancer. Breast Cancer is the second leading cause of death in women today. In 2017 your donations funded 162 grants related to breast cancer totaling \$91 million. Over 340,000 rides to treatment centers and 452,000 nights of free lodging were given to those dealing with cancer. With new drugs and treatments the death rate is down but still much work needs to be done. If you would like to join our team or make a donation please go to [MakingStridesWalk.org/Rochester](http://MakingStridesWalk.org/Rochester). Once there you will find either a donate or join icon to click on. You must type our name exactly

**Joyful “Young” Walkers** in order to donate or join. Any questions call Kathy Callahan at 482-7352 or email me at [callax48chadwell@gmail.com](mailto:callax48chadwell@gmail.com). Hope to see you at our walk.
