

DAFFODIL DAYS

The first flowers of spring, daffodils, are a symbol of hope. Let's get an early start on Spring 2019 and help the American Cancer Society raise funds for research, patient services and advocacy.

Daffodils will be on sale March 16 & 17 after all masses at all 3 churches. The cost is \$4 for a bunch of 3 daffodil stems or \$5 for a limited number of 4" pots of miniature "Tete-a tete" daffodils.

The Peach of Christ Daffodil sale will again be sponsored by Team Joy and team captain Barbara Figura and all proceeds will benefit the community Relay for Life event on June 15th.

Thank you for your support for our team, ACS and those whose lives are touched by cancer!
