### Electronic Fund Transfer (EFT)

**EFT** means that your monthly contribution is automatically transferred from your checking or savings account to Peace of Christ Parish, or you can charge your donation via credit card.

Benefits of giving through EFT:

- You control the amount and timing of your monthly contributions to Peace of Christ Parish, plus related diocesan/national appeals as well.
- You can spread your contributions evenly over the entire year, and the Church can count on an even flow of contributions.
- You receive an annual statement. These statements also document Diocesan and other collection amounts as well. This page serves as an exact record for those who itemize contributions on their tax returns.

You can sign up for EFT, by completing the Authorization Form and returning it with a **voided personal check** to the Parish Office. You can provide a photocopy of a voided check as long as the copy is clear. Please **do not** provide a deposit slip.

Alternately, you may go on the parish website, www.peaceofchrist.org, and click on DONATIONS to sign up automatically.
