

***The Mary and Martha Sisterhood*** of Peace of Christ Parish invites you to hear a presentation by Joan from ***Birthright***, Paula from the ***Margaret Home*** and Hollie from the ***Women's Care Center***. These are the three organizations we donated our collection of baby items to during our annual ***Crib of Life*** Collection in October. These women will share with us the history of their respective ministry, their challenges, needs and rewards. We will be meeting in the St. Ambrose Conference Room at 10:30 AM on Wednesday, November 7. Please bring any questions. We are looking forward to hearing about how moms and babies are being assisted by these invaluable groups.
