# POWER LAB

Power Lab is a Catholic Vacation Bible Camp where kids discover Jesus' miraculous power! Get ready for an exciting adventure, following Jesus

as he heals, helps, and gives power to people who need him.

Power Lab is fizzing with fun for kids, teenagers, and adults. Everyone involved will explore God's Word...and never be the same again! As kids experience amazing Bible adventures, they'll take part in Daily Challenges that encourage them to connect faith to everyday life.

Kids start each day by forming small groups called Lab Crews. All the Lab Crews gather at Sonic Sing & Play to sing and do fun motions to upbeat songs that introduce kids to the concepts they will be learning that day. They will also spend time learning about respecting human dignity through Connecting Kids to Justice daily stories. The Lab Crews then visit five different Lab stations.

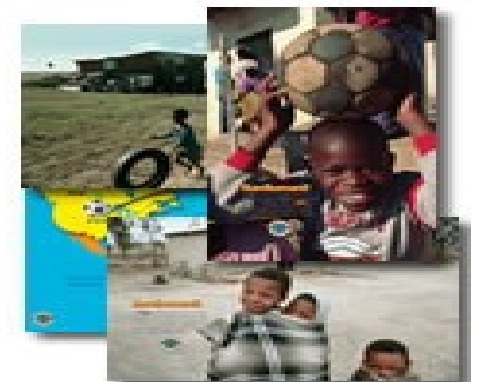

- At *Test Tube Treats* they sample tasty treats and meet Catholic heroes.
- At *Bible Blast* they take part in Bible Stories told in creative ways.
- At *Wacky Works Crafts* they make hands on crafts that center on the theme of the day.

- At *Hyperspeed Games* they take part in non-competitive games.
- At *Cinema Science* they watch a video of Chadder the Chipmunk's adventures and explore the challenges of living as a follower of Jesus.
- Then everyone comes together for the closing, *Faith Fusion Finale*.

Come join us this summer for a wonderful way to hear God's Word through a variety of different experiences.
